Deadline for Comments	28/07/2021	29/07/2021	04/08/2021
Comments	<ul> <li>Object on the grounds of:</li> <li>1) We have always supported ELDC's stance that due to all the buildings on the old camp being LISTED, and of special archaeological interest, they should not be used for conversion into Domestic Use. Here we will realise soon the existing ELDC buildings will cease for their move to Horncastle, leaving the only likely use being domestic.</li> <li>2) Anglian Water made a number of comments in their letter to ELDC dated 25th January 2011, regarding suitability of both the Foul and Storm water systems.</li> <li>The former lapsed approval was for 42 dwelling units where as now 48 are shown, two of which (26 and 27) appear to be for disabled persons. Is this sufficient?</li> <li>3) Who will be responsible for maintenance of the existing roads which are unlikely to meet the current standards of Lincolnshine County Council?</li> <li>4) If approved ELDC will need to approve the new bricks and bonds to match those of the existing building as far as possible.</li> <li>5) If approved ELDC will need to approve the new roof tiles to match those of the existing building as far displorved ELDC will need to approve the new roof tiles to match those of the existing building as far displorved ELDC will need to approve the new roof tiles to match those of the existing building as far displorved ELDC should ensure that new windows and doors are constructed from timber vertical silding sections (not doors).</li> <li>7) All visible downpipes and gutters etc should be of cast iron to match those used on the existing building.</li> </ul>	Support.
