Planning Schedule 17th May 2023

 Grimoldby and Manby Parish Council's Planning Working Group submit the following comments to meet the District Council's deadline of 12th May. However, it should be noted that these will be placed before the Full Parish Council on Wednesday 17th May for ratification or otherwise: No objection but: 1) There should be no access to and from the development onto Mill Lane, which already has excessive traffic. 2) The site is higher than Mill Lane which has flooded at the foct of the site - conditions should be imposed to alleviate future risk. 3) Building works should not interfere with public footpaths. 4) As the site is next to the Church should there be an archeological survey? 5) Where is the storage for surface water? 6) That all delivery vehicles must ENTER the site fully before unloading any plant and materials. 8) It is numoured that the site has had a Japanese Knotweed invasion. ELDC must have a written guarantee from an expert to report that the site has had a Japanese Knotweed invasion. ELDC must be carried out, and a suitable weed killer injected into the open stems. Then on year 2 the same needs to be carried out, and hopefully it can then daim to have been eliminated. 9) It is noted that foul sewage will be connected into the existing sewer in Mill Lane. This must be carried out so as to provide continuous access to the residents of that Lane, and refuse and emergency vehicles. 10) ELDC must be certain that storm water is adequately catered for within the existing arrangements. 	Development off Church Walk, Grimoldby	Erection of 5no. houses with detached and attached garages, construction of a vehicular access and internal access road.	Mr. P. Marwood	Planning Permission	N/067/ 00679/23	ELDC	26/22

LALC MANAGEMENT COMMITTEE NOMINATION FORM

Every four years, following the ordinary elections, our member councils are invited to nominate councillors/clerks to act as representatives on the Association's Management Committee. The Association's Annual General Meeting appoints the Committee to administer the Association's affair on its behalf throughout the year, and together with the Chief Executive and officers, the Committee oversees the budget, delivery of services to member councils, and Association representation as appropriate with other bodies. The Committee comprises a President, Vice-Presidents and Treasurer (appointed each year by the AGM ex-officio), together with six councillors and two clerks, elected by the AGM. The Chair and Vice Chair will be elected at the first meeting following the AGM.

This year's AGM will be held via ZOOM on Thursday 29th June at 7pm, and appointment of the Committee will be an agenda item for delegates to consider that day.

Committee members will serve for a four-year period until the year of the next ordinary elections in 2027. Any casual vacancies, when they arise, are filled mid-term by co-option.

The Committee meets four times a year – usually in January, April, July, October. Extra-ordinary Meetings and subcommittees will be appointed as and when the need arises. Meetings are generally held at the office in Dunholme, usually on a Thursday evening – the Committee sets the dates and times. Travelling expenses are reclaimable. There will be the opportunity to join remotely, should you not be able to travel.

If your Council would like to nominate someone for a place on the Association's Management Committee, please complete the form below and return to LALC no later than 15th June 2023. *Please note that there is a maximum of one representative per council.*
